Recent Update

Our patent pending design for our **pre-punched back-up camera/sensors** are included in the main frame box cover at NO additional purchase or install cost. All of which saves you time and money since you can get a truck back out on the road in a timely manner.

Cost Savings – Including FREE Galvanizing!

Just like the light duty liftgates that you're already familiar with but with a **reduced cost on all of our C2 liftgates and parts**. If that doesn't convince you, we also add galvanized option at **NO** additional cost!

Customer Support – Sales & Technical Service

With over 44 dedicated Sales and Technical Service team members strategically located nationwide, rest assured that we've got you covered nationwide (including Canada and Mexico) for any inquiries that you may have.

Get in contact with your local sales representative or, for more information on our Me2 product line, you can visit our website at <http://www.maxonlift.com/products/light-duty>.
